

Starting to dream

...as a day dream experience

Not an obsession, as a children game I used to play,  
when everything was possible and the only obstacle was fantasy itself.

Zenzero is ginger plant, leaf, flower and root...  
sweet and sour ingredient.

Fresh with a pungent flavour,  
balsamic,  
wood and earth in lemon hints  
with hot and chilly hints...

Calming, healing..ginger...in Italian is made of two words:

Zen and Zero...ZenZero

Zero as a new start, step by step, walking and going further on

Zen as the horizon toward the essentiality

trip, the inner self, the discovery through food....

Fabrizio Peruzzi

## Aperitif

Coldorato

Prosecco extra dry € 6,00

Zen"O"

Prosecco extra dry, Ginger extract and Kombucha € 7,00

\*NOTE at MENU

For the sole purpose of guaranteeing the highest quality of the raw food, the rapid blast chilling technique is used. Fish intended to be marinated or practically raw is subjected to treatment of preventive remediation in accordance with the requirements of the regulation EC n.853 / 2004, annex III, section VIII, chap. 3, letter D, point 3. In compliance with the provisions of Reg. CEE1169 / 2011, We inform you that some dishes on our menu may be frozen or blast chilled in order to ensure the best possible quality and may contain allergens. To best meet your needs, we invite you before placing your order, to notify us of any allergies or intolerances. We also inform you that due to logistical problems we are unable to guarantee the absence of cross contamination in all the other dishes offered by our kitchen and not included in the card, the following allergens may be present: Cereals containing gluten, i.e. : wheat, rye, barley, oats, spelled, kamut or their hybridized strains and derivatives. Crustaceans and shellfish-based products. Eggs and egg products. Fish and fish products. Peanuts and peanut products. Soybean and deoia-based products. Milk and milk products (including lactose). Nuts, namely: almonds, hazelnuts, walnuts and derivatives. Celery and celery-based products. Sesame seeds and sesame seed products. Sulfur dioxide and sulphites. Mustard and mustard products. Lupins and lupine-based products. Molluscs and shellfish-based products. You can also consult the complete list of allergens by making a request to the personnel in charge. It will be a pleasure for us to advise you.
